

DONALD

Hi Mickey.

Mickey is startled.

MICKEY

What?! Where did you come from?(quite Excited and angry) what are you doing here? Get out. You ruined my career. You broke up the act.

DONALD

Broke up the act?

MICKEY

Yes we were doing great and then you broke up the act.

DONALD

I didn't break up the act, I died.

MICKEY

Weel... Don't you think that broke up our act?

DONALD

I couldn't help it.

MICKEY

You should have taken better care of yourself.

DONALD

Mickey, I was hit by a car.

MICKEY

Exactly, didn't your mother tell you to look both ways when you cross the street?

DONALD

That's very funny, I see you haven't lost your sense of humor.

MICKEY

That's about the only thing I haven't lost. I haven't had a decent gig since.

DONALD

You must have done some work.

MICKEY

Yes, Commercials and voice overs.
Big deal.

DONALD

I don't want you to be mad at me.

MICKEY

What are you doing here?

DONALD

I want to be your best friend
again.

MICKEY

You look good.

DONALD

I do?

MICKEY

You look the same, you haven't aged
a bit.

DONALD

That makes sense doesn't it?

MICKEY

Nothing makes sense anymore. I'm
sick

DONALD

I know.

MICKEY

We had such a good routine. You
remember?

DONALD

Sure I remember. Remember our
little dance routine.

MICKEY

Remember? I created it.

DONALD

Well, I think I helped.

MICKEY

Yeah, yeah..

DONALD

Come on Mickey, lets try it out.
