

JEN

*(Looks around.)* I wonder what's taking so long.

SAM

Maybe they're trying to get us to interact.

JEN

*(To herself.)* Cheese, I hope not.

SAM

*(Not hearing.)* So, fellow single rider, I'm Sam. *(Holds out his hand.)*

JEN

*(Reluctantly shakes his hand.)* Jen.

SAM

You must be a Disney fan.

JEN

Love it.

SAM

Why?

JEN

*(Shrugs)* I don't know. I guess I feel special here.

SAM

They made it that way. *(Creepy)* So they can watch us.

JEN

*(Worried)* Watch us?

SAM

Yeah. So they can see what it's like to actually be human.

*JEN, alarmed, starts to get up but is stopped by...*

CHRIS

Please remain seated, your ride will begin momentarily. Pull down the lap bar and make sure it is secure.

*JEN sits. CHRIS exits.*

SAM

Whew, it's hot today!

JEN

*(Dryly)* That's summer in Florida.

SAM

*(Pulls out a Coca-Cola bottle and addresses the audience.)* Thank goodness I just bought this cold, refreshing Coca-Cola to cool me off.

JEN

*(Beat. Confused. Looking around.)* Who are you talking to?

*JEN and SAM jerk back in their seats like the ride starts to move.*

SAM

Here we go. Hang on.

JEN

I am.

SAM

*(Pointing to JEN's wrist.)* I see you're wearing an Apple Watch. I have the latest model. It's fashionable, reliable, and ushers in the technology of tomorrow.

*JEN and SAM sway back and forth like the ride is moving.*

JEN

I'm sorry, who are you talking to?

SAM

*(Waving hand to encompass the audience.)* The audience. They've got cameras everywhere. See that blinking light? They're watching.

JEN

No, that means they're about to take a photo ---

*JEN and SAM lean in to each other and smile up at a camera. If possible, flash of light.*

SAM

We're their entertainment.

JEN

Whose --- entertainment?

*JEN and SAM raise their arms like they are going down.*

JEN

AHHHHHH!

SAM

AALLIIEEENNNS!!

JEN

*(Beat. Looks at SAM stunned.)* Say what now?

SAM

Aliens.
