

Begin Kirby/  
Clara/ Jamie

CLARA

[REDACTED]

...  
I like your // outfit

KIRBY

Really?

CLARA

Yeah it's -  
Got this shiny //  
Thing going on

KIRBY

Well thanks.  
I'm...  
I like yours too; it's very...

CLARA

Thanks?  
I didn't know if I should go sexy?  
I mean I want them to take me seriously but also I think it's part of the deal or - ?  
I don't know, is it too // tight?

JAMIE

It's loose in the butt.

CLARA

IT IS?!

KIRBY

No it's completely fine

JAMIE

You're gonna get it caught on something  
Do you fly?

CLARA

Uh. No?

JAMIE

I fly.

Wind currents. Gotta keep it sleek. Also I'm proud of my butt. That's feminist.

CLARA

Well I'm not saying -

Not saying I'm not proud of -

Just don't want to be all about the stereotype

'Sexy superhero' lady

JAMIE

*(punching)*

HOO-AHHH!

CLARA

Oh my god it is kinda baggy

KIRBY

It's not that bad...

CLARA

OH MY GOD it's like a DIAPER

*FIONA's humming gets louder.*

KIRBY

I'm sure you're gonna do just great

CLARA

Yeah? Oh god I'm so nervous...

You know: they only do like two of these auditions a year and there's only a slot for like one woman at a time

And there's already one who -

Has my thing.

JAMIE

Yeah?

What's your deal?

CLARA

I got the whole...  
Super-strength yada yada

KIRBY

Oh that's so cool!

JAMIE

I can fly. I'm also strong but that's from circuit training. HIYA.

CLARA

Yeah, see? Not that special.

KIRBY

Well I think it's great.

CLARA

And how about you, what do you - ?

KIRBY

Oh god  
Nothing  
It's // not even -

CLARA

Oh c'mon, I'm sure it's great.

JAMIE

Yeah, so sure.

KIRBY

I...can move things with my mind  
It's really // nothing

CLARA

Holy shit

JAMIE

Like, any kinds of things? Small things, really small things...?

**End Kirby/Clara/Jamie**

*JAMIE, still on the ground:*

JAMIE  
HERGGGGGOODDDAMMMIT

KIRBY  
Hey did you see that last guy they added?

CLARA  
Oh, after the spring auditions?  
Ribbit-guy. Something

FIONA  
Ah yes.  
The power to summon a thousand frogs

CLARA  
That's disgusting

KIRBY  
Unsanitary

JAMIE  
*(still getting up)*  
And not really that useful.  
I mean he can summon them but not -  
OOOF shit  
Like they don't DO anything. Just APPEAR.

KIRBY  
But...he's a male

CLARA  
With a gorgeous head of hair.

FIONA  
Ha. And do you know the last time they picked a woman in her 40s?

CLARA  
When?

KIRBY

I bet never.

FIONA

Ding-ding.

CLARA

Shit. I'm thirty-nine.

FIONA

Well, they round up, sister.

I've been auditioning every call for the last six years. And for every man, there's ten of the rest of us.

JAMIE

What about Super Woman?

CLARA

Her dad's the commissioner. And she looks good in boots. Not me. Something happened to my calves after my second

JAMIE

Well we shouldn't just -

We can't just sit here and make excuses. Right?

KIRBY

It's not 'excuses' when the world's literally at stake. I mean -

A lady who can knock down three super-powered people with her brain is objectively more powerful than the guy with a thousand frogs.

Or Babe-Slayer. Isn't his only power - ?

CLARA

The power of seduction.

Yeah.

I don't even think he has special pheromones or anything; he's just a guy who read *The Game* a couple // of times

FIONA

Or what about that guy who can detach his legs?

KIRBY

Only his left leg.

CLARA

Gross.

JAMIE

Okay, okay, I get what you're saying. But maybe that means we just have to be extra-better. Really prove ourselves.

KIRBY

Or...

JAMIE

Or what?

KIRBY

Okay hear me out: the four of us are the most powerful super-beings I've ever come across. Plus we've clearly got patience. Stamina.

CLARA

I am raising three kids.

KIRBY

Exactly! What's stopping us from forming our own superhero team?

**End Kirby/Clara/Jamie/Fiona**

JAMIE

Uh...is that even legal?

FIONA

I think so

Yes, I think you just need to file an LLC

CLARA

That's pretty easy in the state of Florida. I set up my husband's. Took like ten minutes.

JAMIE

And so what, we'll just - ?

We'll just be this tiny little team that no-one's ever heard of?
